Highlights of the Plan

Dividend Reinvestment Plan (The 'Plan')

Whitefield Industrials Ltd ('Whitefield Industrials') is pleased to offer Shareholders the opportunity to participate in the company's Dividend Reinvestment Plan. Full details of the Plan's operations are contained in the accompanying Terms and Conditions.

Shares rank equally

Shares issued under the Plan rank equally with existing fully paid ordinary Shares.

Dividend and holding statements

A dividend statement, providing details of a Shareholder's participation in the Plan, will be forwarded at the time of dividend payments. A holding statement, detailing any movements in a Shareholder's balance, will be issued at the end of the month in which the dividend is paid.

No additional costs

Shares issued under the Plan are free of brokerage, commission and stamp duty costs. Whitefield Industrials pays the administrative costs associated with each issue.

Participation

All Shareholders who hold fully paid ordinary Shares and are resident in Australia or New Zealand can participate subject to any law and the constitution of Whitefield Industrials.

Foreign shareholders

The Plan will not be offered to Shareholders having a registered address outside Australia or New Zealand at this time.

Entitlement rounded to nearest whole number

Where the calculation of entitlement results in an entitlement which includes a fraction of a Share, that entitlement will be rounded up or down to the nearest whole Share.

Participation is entirely optional

Participation is entirely optional. The Shareholder may elect to join, vary their participation in, or withdraw from the Plan at any time.

Partial participation

Allotment share price

Shares will be allotted at a price determined by reference to the weighted average Market Price of all Whitefield Industrials Shares sold on the Australian Stock Exchange during the five trading days from and including the date Whitefield Industrials' Shares are first quoted "ex" for the relevant dividend. The Directors may determine that a discount of between 0% and 5% be applied to this amount. The maximum discount being 5%.

Should a Shareholder want to sell their Shares shortly before the Record Date for determining dividend entitlements, they should inform their stockbroker that their Shares are participating in the Plan. Shares allocated under this Plan can only be sold after they are issued.

Taxation

The Australian Taxation Office currently treat dividends reinvested under dividend reinvestment plans in the same way as cash dividends.

The Australian Taxation Office also currently regards the amount of the dividend as forming part of the cost base of the Shares received under this Plan.

Whitefield Industrials takes no responsibility for the taxation liabilities of Participants in the Plan and specific taxation advice should be obtained from a suitably qualified advisor. It is recommended Shareholders obtain professional taxation advice.

Modification or cancellation of the Plan

Whitefield Industrials' Directors may alter, suspend or terminate the Plan from time to time. In addition, Shares will not be issued under the Plan if the issue would breach any law or Whitefield Industrials' Constitution.
